## EDUCATION

**RTMNU,Nagpur**
2013 - 2017
B.E. in Computer Technology

**CDAC** 2022
Deploma in Advance Computing

## SKILLS

**Languages**
- React-Js
- ReduxToolkit
- MongoDb
- Express
- Node js
- HTML
- CSS
- Bootstrap
- Tailwind CSS

**Testing**
- Jest
- React Testing Library

**Version Control**
- Git and Git Hub
- Azure DevOps

## PROFILE

Passionate software developer with practical expertise in crafting seamless web experiences. Adept in MERN Stack Development (React, Node.js, Express.js, MongoDB), I believe lifelong learning is the key to professional excellence, fostering adaptability, innovation, and continuous improvement in this ever-evolving technical landscape

.

## WORK EXPERIENCE

ASSOCIATE SOFTWARE DEVELOPER (WEB UI-CDP)
**Laminaar Aviation InfoTech**
Nov *2022 - Present*

- **Developed reusable and functional React components** following design specifications and UI/UX principles.
- **Utilized** React.js and related **libraries/frameworks** like **MUI,Date-fns, Formik, Styled-Components** etc to build responsive and interactive user interfaces for web applications.
- **Conducted unit tests** for React components using the **React Testing Library** to ensure functionality and reliability.
- Created a comprehensive documentation webpage for a React component library using **React Router and Redux**, facilitating seamless navigation, state management, and interactive exploration of components with live examples and code snippets.

*Personal project:*
- Developed a **MERN stack** application enabling basic CRUD operations (Create, Read, Update, Delete) with *MongoDB, Express.js, React.js, and Node.js*, ensuring seamless data management and user interaction.
